LOVE FROM OUR COUPLES

TESTIMONIAL

We chose the Dover Hotel & Spa for our wedding package and special day. The venue also had to deal with the Dover Regatta on the same day and England playing as well!

We chose this hotel as we had everything we wanted in one place.

I'm pleased to say they coped very, very, well. All done with a professional attitude, the day went off without any problems, and if there were any changes made, they were dealt with swiftly and calmly.

We would like to thank the whole team for helping to make the event.

Steve and Karen

TESTIMONIAL

A shout out to Randuli, who with her team made our family wedding reception run so smoothly.

Her impressive eye for detail and ability to be aware of our needs in a calm and efficient way helped the day run very smoothly.

I would recommend this venue with it's location on the coastline and the resources of the hotel behind the scenes.

Once you've chosen a date, we'll save it for up to 14 days while you decide whether you would like to make a small deposit to secure it.

HOW MUCH OF A DEPOSIT IS REQUIRED?

We ask for £1,500 at time of booking that is non-refundable amount to secure your wedding date. 6 months (24 weeks) before the wedding 30% of total estimated costs (including deposit) is due. 4 months (16 weeks) before the wedding then a 50% of total estimated costs are due. Final balance before wedding 2 month (8 weeks) of 100% of the final total balance is due.

- Any services or guests added after the final balance is paid will be charged separately and must be paid in full before the event.
- Should you wish to pay in smaller amounts or one full payment, this can be arranged with your Venue Wedding Coordinator

PAYMENT PLANS

We offer several flexible payment plans to make things easy as possible for you

WEDDING PLANNING MEETINGS

- You are welcome to contact at any time, and your meetings are face to face appointments. If you'd like a zoom call meeting please let us know.
- You will have your venue meeting show round (initial meeting)
- Set up meeting (after booking your wedding date)
- Invites to our showcase events

HOW DO I BOOK MY REGISTRAR?

We make your initial booking with the registrar. Kent County Council will then contact you directly to organise the next steps. There is an initial booking fee to pay, this will confirm your date then any additional costs, final payment and details will be organised solely between yourselves and the registrar. If you are legally married, and do not require a registrar we welcome celebrant led blessings.

CAN I USE CONFETTI AND PETALS?

Yes, as long as it is biodegradable and used only on hotel premises.

IS THERE A CORKAGE FEE?

No beverage or food (except wedding cakes) may be brought into the Hotel or grounds by or on behalf of yourselves. Any guests found to be consuming their own wine, beer, spirits and soft drinks will be charged by the Hotel. Please speak to your Wedding Coordinator for more details.

WHEN CAN I SET UP FOR THE WEDDING?

We know how exciting it is to start setting up your wedding. However, the venue is only secured from the time stated on your contract.

Access from 11am. Prior access will need to be confirmed with your venue wedding co-ordinator.

IS THERE FREE PARKING?

Free parking is available at the De Bradley Warf Car Park located at the rear of the hotel subject to availability. Upon arrival, please enquire at reception for more information and guidance regarding this amenity.

FAQ'S

CAN I HAVE CANDLES AS DECORATIONS?

We do not allow real naked flame candles. We will allow and recommend battery operated candles. Many of our regular florists and decor companies use flameless electric candles which are very realistic and safer.

CAN WE INCLUDE PETS FOR OUR WEDDING?

You are allowed to bring your furry friend for the ceremony and drinks receptions for your photographs however we politely ask for them to be collected prior to your wedding breakfast (not including assistance dogs). Kent County Council (KCC) will need to be notified about any animals at your ceremony.

IS SPA ACCESS INCLUDED IN ROOM RATES?

Spa access is included in our overnight stay rates, providing guests the perfect opportunity to unwind and refresh before the big day.

IS THE HOTEL ACCESSIBLE FRIENDLY?

We do have 2 lifts in the hotel, including direct access to the suite from the seafront entrance. We have clearly marked accessible parking, bedrooms and toilets.

WEDDING INSURANCE

We highly recommend all couples to take out wedding insurance. We are unable to give legal advise on this matter, and it is the responsibility of the couple to research and have in place to cover them for unlikely events in the future.

CAN I HAVE FIREWORKS?

We are not a licensed venue. Please note that no fireworks or sparklers are permitted on any part of the hotel premises, used or unused.

WHEN CAN WE BRING IN OUR OWN DECORATIONS AND ITEMS?

We ask that items are delivered to the hotel the day prior to your wedding; this must be pre-agreed with your Wedding Coordinator. Depending on the amount of table decorations a fee may occur, if you require the hotel to decorate the room, please see brochure for details. We would recommend using an external décor / styling company to setup on your behalf.

CAN I USE EXTERNAL SUPPLIERS?

We have some amazing, recommended suppliers however as a venue we do not object to you using external suppliers for your wedding day. We would require a copy of all health and safety documents (H&S) and public liability certificate. Please note the Hotel does not take any responsibility for the loss or damage of any items brought into the Hotel. Your suppliers can gain access on the day from a time agreed with your wedding venue coordinator. The hotel reserves the right to charge any third party or guest in full for any damages caused to the hotel or its property during any event. Where possible the hotel will assist with storage of equipment etc, subject to availability at the managers discretion.
