FROM OUR COUPLES

“WITH LOVE”

*The Marina Hotel is a beautiful place, situated on the Dover sea front.
The views across the ocean and the castle on top of the hill are outstanding.
The hotel is definitely Hilton standard, amazingly clean,
top quality, comfortable and most welcoming by all staff.
We had worked alongside the team, who made our wedding day so perfect.
Every detail was exceptional, the food was outstanding and all our guests were full of praise.
Thank you to all the staff at the stunning Marina Hotel
for making every moment of our wedding day so beautiful and perfect.*

MAY, 2026

My husband and I held our small wedding reception celebrations at the Dover Marina Hotel recently, and we had such a wonderful experience. We had many different family and friends stay at the venue, and all shared how happy they were with the rooms, etc. Our event coordinator, Randuli, was very responsive and attentive to all our requirements from start to finish, and we could not have had a better experience with her, along with Ruchit, reception supervisor who coordinated our stay. The hotel was amazing and all staff seem to go above and beyond. Thank you!!

From our first visit, we knew Dover Marina was the place for us. The elegant suites, the beautiful outdoor ceremony space, and the fabulous Marco Pierre White dining experience made our wedding weekend unforgettable. The staff were so supportive and attentive, helping us every step of the way. Our families felt at home, and the memories we made will last a lifetime. Thank you. x
